Factory Product Notice

Perf-Form Kit # OF-0080

This installation drawing for the Perf-Form Filter Kit #OF-0080 must be used for all installations and supersedes all previous drawings. Please insert this drawing into all Perf-Form Yamaha V-Star filter relocation kits. We have a new “Short Spud” that will allow you to use any 3/4 - 16 thread filter on your YVS-C Kit, Click the Yamaha tab on the PRODUCTS PAGE.
